BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF EDMONSON)	
COUNTY WATER DISTRICT TO ESTABLISH)	
REGULATIONS AND CERTAIN NON-)	CASE NO. 90-051
RECURRING CHARGES)	

O R D E R

On February 9, 1990, Edmonson County Water District ("Edmonson County") filed with the Commission a tariff which proposed to amend its current rules and regulations and to establish certain non-recurring charges. By Order of March 9, 1990, the Commission suspended the proposed effective date of the tariff to August 10, 1990.

On July 20, 1990, the Commission issued a data request wherein it requested certain information and revisions to the proposed tariff. On August 1, 1990, Edmonson filed its response to the information request along with a revised tariff. By letter received at the Commission on August 9, 1990, Edmonson County agreed to delay the effective date of its rates until its customers notification was filed. On September 6, 1990, Edmonson filed copies of its customer notification.

The Commission, having reviewed the filings of August 1 and September 6, 1990 and being sufficiently advised, finds that the filing should be approved with the exception of Item H, reconnect

fee for 2 inch meters and larger. The Commission finds that the method of meter installation does not comply with 807 KAR 5:066, Section 13.

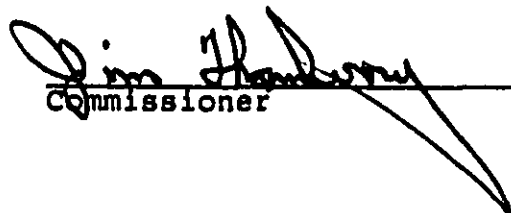

IT IS THEREFORE ORDERED that the tariff filing of August 1, 1990 be and it hereby is approved with the exception of Item H which is hereby denied.

Done at Frankfort, Kentucky, this 20th day of September, 1990.
